

Grand National Sweepstake

Below is a full list of all the horses running in the Grand National on Saturday 10 April. Print this list, cut out the names and put them into a hat / box. Then ask people to donate £2 each, or a fee of your choice, for them to pull a name out of the hat. Whoever's horse wins, wins a prize!

Alternatively, email this list to everyone you know and people can put their name next to a horse and donate online through your Justgiving Page.

People can pick or write their name next to as many horses as they like, they just need to donate per horse.

This is an easy £80 if people donate £2 or a very easy £200 if people donate £5 a horse!

Top Tip: Source a prize for free so that every penny donated will go towards your fundraising.
